

BEREICH SPORTWISSENSCHAFT

First International Workshop for School Sport and Child Development

The Institute of Sport Science (ISPW) at Otto-von-Guericke University of Magdeburg in cooperation with the German Academic Exchange Services (DAAD) is pleased to invite you to participate in the 1th International Workshop in "School Sport and Child Development". The focus of this workshop is the development of PE curriculum and its impact in increasing the rate of physical activities and health promotion of children and adolescents. The colleagues from all over the world are welcome to take part in the event, in order to exchange ideas, discussing new issues and creating a new platform to improve the quality of Physical Education (QPE).

We are looking for your participation!

Prof. Dr. Elke Knisel, Prof. Dr. Anita Hökelmann, Dr. Osama Abdel Karim

Further information and application details.
